

**Association of  
Professional Engineers and  
Geoscientists of Alberta**

Summary Financial Statements  
**December 31, 2020**

## *Report of the Independent Auditor on the Summary Financial Statements*

To the Members of  
Association of Professional Engineers and Geoscientists of Alberta

---

### *Our opinion*

In our opinion, the accompanying summary financial statements of Association of Professional Engineers and Geoscientists of Alberta (the Association) are a fair summary of the audited financial statements, on the basis described in Note 1 to the summary financial statements.

---

### *The summary financial statements*

The Association's summary financial statements derived from the audited financial statements for the year ended December 31, 2020 comprise:

- the summary statement of financial position as at December 31, 2020;
- the summary statement of operations for the year then ended; and
- the related notes to the summary financial statements.

The summary financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

---

### *The audited financial statements and our report thereon*

We expressed an unmodified audit opinion on the audited financial statements in our report dated March 25, 2021.

---

### *Management's responsibility for the summary financial statements*

Management is responsible for the preparation of the summary financial statements on the basis described in Note 1.

---

*PricewaterhouseCoopers LLP*  
Stantec Tower, 10220 103 Avenue NW, Suite 2200, Edmonton, Alberta, Canada T5J 0K4  
T: +1 780 441 6700, F: +1 780 441 6776

"PwC" refers to PricewaterhouseCoopers LLP, an Ontario limited liability partnership.

---

*Auditor's responsibility*

Our responsibility is to express an opinion on whether the summary financial statements are a fair summary of the audited financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, *Engagements to Report on Summary Financial Statements*.

## Notes to Summary Financial Statements

December 31, 2020

---

(in thousands of dollars)

### 1 Basis of presentation

The summary financial statements are derived from the audited financial statements prepared in accordance with Canadian accounting standards for not-for-profit organizations as at December 31, 2020 and for the year then ended.

The preparation of these summary financial statements requires management to determine the information that needs to be reflected in them so that they are consistent in all material respects with, or represent a fair summary of, the audited financial statements.

Management prepared these summary financial statements using the following criteria:

- the summary financial statements include all statements included in the audited financial statements with the exception of the statement of changes in net assets and the statement of cash flows;
- information in the summary financial statements agrees with the related information in the audited financial statements;
- major subtotals, totals and comparative information from the audited financial statements are included; and
- the summary financial statements contain the information from the audited financial statements dealing with matters having a pervasive or otherwise significant effect on the summary financial statements, such as described in note 2.

The audited financial statements of Association of Professional Engineers and Geoscientists of Alberta (APEGA) are available on APEGA's website at [www.apega.ca](http://www.apega.ca).

### 2 Summary of significant accounting policies

#### Revenue recognition

Revenue is recognized when evidence of an arrangement exists, the service has been rendered, the price is determinable and ultimate collection is reasonably assured.

Specific revenue recognition policies include the following:

- Member dues and permit fees are set annually by Council and recognized as revenue proportionately over a fiscal year to which they relate.
- Registration fees are recognized when registration occurs and fees are received.
- Examination fees are recognized when the examination is presented.
- Affinity program revenue is recognized when received.

## Notes to Summary Financial Statements

December 31, 2020

---

(in thousands of dollars)

- Fees recovered for programs are recognized when programs occur.
- General revenue is recognized when the related services are provided or goods are shipped.
- Investment income includes interest and dividends and is recognized when earned.

APEGA follows the deferral method of accounting for contributions, which include grants and donations. Grants are recognized in the accounts when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Grants are deferred when initially recorded in the accounts and are recognized as revenue in the year in which the related expenses are recognized. Donations are recorded when received, since pledges are not legally enforceable claims. Unrestricted contributions are recognized as revenue when initially recorded in the accounts. Externally restricted contributions are deferred when initially recorded in the accounts and are recognized as revenue in the year in which the related expenses are recognized.

### 3 Defined benefit pension plan

In the year-end summary statement of financial position, APEGA recognizes the defined benefit obligation, less the fair value of the plan assets.

	2020 \$	2019 \$
Defined benefit pension plan surplus		
Plan assets at fair value	21,619	19,609
Accrued benefit obligations	(17,217)	(17,030)
	<u>4,402</u>	<u>2,579</u>
