(Fee is non-refundable)

*This request form is used to provide additional academic or work experience to your application as assigned by the Board of Examiners in your decision letter. If you have not gained ALL the required experience, please **DO NOT** complete this form.*

Instructions & Supplemental Information

1. Complete, sign, and date the request form.
2. Complete the letter addressed to the Board of Examiners (BOE) that provides reasons and grounds for the update. State that you are **providing an update based on the completion of outstanding licensure requirements set forth by the BOE.**

*** Each request for update application form is subject to its own application fee. Please ensure you are submitting ALL your requirements in one form to avoid additional fees.**

- **Work Experience Update** – If you are requesting an experience update, we will email you a link to your online experience forms. You must complete the academic requirements before requesting an experience update. If you have been assigned exams, you **cannot** provide an experience update until the exams have been completed successfully.

For your Experience Update you will be required to provide all the requested time. As well, this time needs to be referenced by a P.Eng. and/or P.Geo. who has taken technical responsibility and supervised your work. If this reference is not the person you directly reported to, you will need to include two references in your update, your direct supervisor and the P.Eng./P.Geo. colleague and/or mentor that took technical responsibility for your work.

- **Academic Update** – If you are requesting an academic update for education you have received in Canada, please have your university send official transcripts directly to APEGA's Edmonton office by mail. If your degree is from an international university, you will need a [World Education Services Course-by-Course International Credential Advantage](#) report instead.

3. Please email your completed form and supporting documents to registration@apega.ca with the following subject line:

[Your APEGA ID] Update to BOE

To check the progress of your request, please log in to [myAPEGA](#).

If you do not provide the completed outstanding requirements, as requested in your BOE decision letter, **within 90 days of your request**, your request will be **declined without a refund**, and you will need to submit your request again.

Once the Request for Update has been sent for review, you will receive an email from APEGA. A decision will be sent to you by email. Please ensure your contact information is updated in your [myAPEGA](#) portal.
